

WHO YOU'RE HELPING

Meet one of the children we are currently fundraising for, Eli. Proceeds from Farm Fest will help Eli attain his goal of receiving a guide dog. Eli is 9 years old, and has been blind from birth. He enjoys hiking, reading, jiu-jitsu, and running. He recently fundraised for Mira Foundation USA by running 26 miles in 26 days.

He is the son of an active duty Special Forces soldier.

So, by helping him you are also supporting a military family.

Eli says that he dreams of a guide dog that's "my eyes and my best bud".

DID YOU KNOW?

- Mira Foundation USA is the only organization in America that gives guide dogs to blind children
- There are approximately 63,000 visually impaired children in the United States
- Mira gives guide dogs to blind American children at absolutely no cost
